**WMA USER PERMIT:** All persons using this wildlife management area, except those exempt from purchasing an annual hunting or fishing license, must carry on their person an annual statewide Wildlife Management Area User Permit. This permit is required in addition to the daily visitor use permit and any required license and may be purchased wherever licenses are sold.

**BAG LIMITS:** Same as statewide bag limits.

**PERMIT STATIONS:** All visitors must obtain a DAILY VISITOR USE PERMIT card from a self-service permit station. Parts A and B of this permit must be legibly filled out before using the WMA. Part A of the permit must be deposited in the return box at a permit station before using the WMA. Part B must be displayed on the dash of the vehicle so that the name, address, and date are visible from outside the vehicle. Permits are invalid if not properly dated or if date has been changed. Before leaving the WMA, visitors must complete the reverse side of Part B of the permit and deposit it in the return box at a permit station. It is the responsibility of the Area Manager and other Agency personnel to have permit cards completed.

**SEPTEMBER TEAL HUNTING PERMITS:** September teal hunting is allowed by special permit only. You may apply online at [www.mdwfp.com](http://www.mdwfp.com). Only one application per hunter will be accepted. Hunters may apply for permitted September teal hunts on no more than 3 WMAs statewide during the 2010-11 season. Completed applications must be received by Aug. 15, 2010 to be eligible for drawing. Hunters who provide an e-mail address will be notified by e-mail if drawn.

**WATERFOWL HUNTING PERMITS:** All waterfowl hunts, except for the waterfowl youth hunts and the post season light goose conservation order, are draw hunts only. You may apply online at [www.mdwfp.com](http://www.mdwfp.com). Only one application per hunter will be accepted. Hunters may apply for permitted waterfowl hunts on no more than 3 WMAs statewide during the 2010-11 season. Completed applications must be received by Nov. 1, 2010 to be eligible for drawing.

**WATERFOWL DRAW HUNTING PROCEDURES:** Hunt days are Tuesdays, Thursdays, Saturdays, and Sundays. Six reservation positions are allocated for each day before the season starts. Reservations on Tuesdays and Thursdays are for a 1-day hunt and reservations for Saturdays and Sundays are for a 2-day hunt. Reservation holders draw numbers first from numbered dowels that represent the number of available hunting positions. After reservation holders draw, dowels are added until there are enough dowels for all standby parties to draw. All hunters then select their positions starting with the lowest number first. Draws will be conducted at 5:00 AM. If reservation holders fail to check in by 5:00am, they risk losing their spot to another hunting party if all hunting positions are filled. A total party of 4 hunters per hunt unit is allowed.

**DOG RESTRICTIONS:** Retrievers allowed during waterfowl hunts on Muscadine Farms Tract. All other dogs prohibited on Muscadine Farms Tract. On Washington and Po-Lutken Tracts, small game hunting with dogs is allowed during any small game season. Hog hunting with dogs is prohibited.

**OFF-ROAD MOTORIZED VEHICLES/ATVs:** Off-road motorized vehicles/ATVs prohibited. No vehicles allowed on levees.

**HORSES:** No horses allowed.

**CAMPING:** No camping allowed.

**SHOOTING HOURS:** Waterfowl shooting hours end at 12:00 noon.

**BEARS:** Black bears may occur on this WMA. They are federally protected as a threatened subspecies. Hunting or disturbing bears is prohibited. Please report any bear sightings on your daily visitor use permit.

**CODE OF FEDERAL REGULATIONS, TITLE 36,** will be enforced. For additional information, contact the U. S. Army Corps of Engineers at (601) 631-5000.
